SERVICES OFFERED

Individual Sessions: by Phone or In-Person. Since Suzan tunes into your teachers and guides on a higher level of consciousness, telephone sessions are the same as if you were there in person. What situation are you struggling with? Advice and guidance comes through from Divine Teachers, Heavenly Guides, or spirits on the other side. This brings clarity to the seeker on a variety of topics including 'past' life issues still affecting you today.

Precious Pets: telepathic communication is the method used to talk to your beloved pet for insight into behavioral problems or to find out about the past. Healing sessions also available to relieve pain or to clear trauma. A picture of your pet or a description works fine for phone sessions or schedule an in-person visit, if feasible.

Classes, Individual Instruction, Workshops: Learn how to talk to animals and other species through classes and workshops, or individual instruction. If you have a group looking for instruction, contact me at suzan@animalwhisperer.net to work out details. Individual instruction can be done by phone and / or email anywhere. Practice, handouts, and coaching calls are all part of the package.

About Suzan Vaughn:

Suzan has been a student and a teacher of metaphysical phenomenon for more than there decades. She has helped thousands of people sort out the confusion of life's toughest circumstances, and as an oracle, she acts as a conduit for messages from animals, teachers, guides, and guardian angels. These messages lead to more harmonious human / animal relationships and behavioral changes.

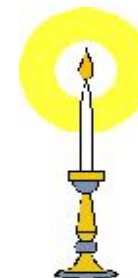

"Communication with our Higher Source and with animals utilizes telepathy to connect on a deeply spiritual level. The practice acknowledges the intelligence and divine nature of all living things. It has been my privilege to facilitate these soul-level messages for more than 30 years, helping people with their own challenges and those of their pets and loved ones, for the highest good of all concerned."

She holds a B.A. in Psychology and an M.A. in Communication.
